PRAYER IS IMPORTANT

-Please remember **Bob and Robin Murray** and his family with the passing of his mother. Services were yesterday in Santa Barbara. Please keep them in prayers during this time of adjustment and loss.
-**Martha Kretzinger** is very sick and on antibiotics. She is also on her oxygen full time right now. She spent a little time in the hospital this week with complications from a viral infection. Please keep her in your prayers for renewed health and strength.
-**Pat Rice** has been put on hospice care. Please remember her and her family during this time.
-**Mark McAdams**, a friend of **Russell Capshaw's**, has been battling a health issue. Please pray for his physical as well as his spiritual health at this time.
-Please keep the **Buellton Church of Christ** in your prayers. Also pray for **David House** and the work he does with them. They are a small gathering of believers and need the prayers.
-**Vikki McGee** asked that we keep he in prayers at this time. She is having an issue with her ear. Pray that it can be resolved quickly and she will feel better soon.

THOUGHT FOR TODAY

Prayer is not asking for what you think you want, BUT asking to be changed in ways you can't imagine.

SCRIPTURE FOR TODAY

*Let my prayer be set before You like incense...
Set a guard, O Lord, over my mouth,
keep watch over the door of my lips!.*
~Psalm 141:2-3

ENCOURAGING WORDS

"At His Cross"

As you think of Jesus and stand at the foot of His cross, what great truths come into your heart? Sometimes our greatest understanding of truth comes in the midst of great suffering.

At His cross, I learn the truth about myself! There were so many who were impacted by His death and had their own reason for being there. I wonder if I would have stood beside those who mocked Him? Would I have stood beside His mother and tried to comfort her, or would I have ben like those disciples who fled from the garden? The answer to these questions might be discovered by seeing what emotions I have during my meditation as I commune with Him around His table.

At His cross, I learn the truth about my inability to save myself! My own 'goodness' could not take away the guilt of only one sin. The only hope that I have of heaven is that hanging on the cross was the One whose sinless life could redeem me! My sinfulness means I owed a debt, and on that cross was the One who paid my dept. There is nothing I could do to remove sin and God sent His Son to pay my dept. I feel my sinfulness and helplessness at the cross.

At His cross, I learn about God's providential love which surrounds me! Jesus died for me, a mortal worthy of hell because of my rebellion. Now if God did that much for me when I was His enemy, how much more will He do for me now that I am His child, being "born of God." Think about these precious words....
But God demonstrates his own love for us in this: While we were still sinners, Christ died for us. Since we have now been justified by his blood, how much more shall we be saved from God's wrath through Him! For if, while we were God's enemies, we were reconciled to Him through the death of His Son, how much more, having been reconciled, shall we be saved through His life! Rom. 5:8-10 He loved me then....and loves me much more now!
