THOUGHT FOR TODAY

Never apologize for having high standards. People who really want to be in your life will rise to meet them.

SCRIPTURE FOR TODAY

Do not conform to the pattern of the world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is – his good, pleasing and perfect will.
~Romans 12:2

ENCOURAGING WORDS

What is Going On?!

It is time for determined Christian adults, parents, and grandparents to take a stand and hold their position on the God-fearing morality that must characterize our lives, our homes, our families and our congregations. The moral principles so clearly detailed in Scripture and exemplified so beautifully in the life of our Savior must be the sole guide and focus of our existence on this earth! If we choose to compromise or even to waver from them for but a moment, the schemes and sway of the devil and his worldly influences are set to pounce.

It would appear that many people today have seemingly lost all sense of personal dignity, propriety and prudence in their daily choices and actions. (Watch the news!) It's been a steady progression of the unthinkable! Pornographic magazines cornered the market for some time. Then came videos. Then came the internet. All of these were means to view the immoral images. But, with the advent of the world wide web and the ease of not only receiving data but sending it as well, young people (and it's not just limited to young people) began not only viewing these lewd images but sharing their own as well...they call it "sexting" – a practice similar to texting with the cell phone but sending naked pictures or such of themselves instead. That's right!

I have no idea where this will all end, but I know how it can end. We must take a firm stand for the God-fearing morality that is outlined so explicitly in the Bible. I know this has been kind of explicit, but we must know what we're facing and then determine to confront it!
