### THOUGHT FOR TODAY

We don't develop courage by being happy every day.  
We develop it by surviving difficult times and  
challenging adversity.

### SCRIPTURE FOR TODAY

Be alert, stand firm in the faith, be strong.  
Do all your work in love.  
~1 Corinthians 16:13-14

### ENCOURAGING WORDS

#### Where Is Your Heart Located?

Everybody knows that their heart is on the left side of the body, for when the National Anthem is heard, our hand is placed over the heart as a sign of devotion to this land. It is likely that few have heard of *dextrocardia situs inversus*, but about one person in 10,000 suffers from this medical situation where the heart is located in the right side of the body. It is not often fatal to have the heart located in the wrong place, but there is another fatal condition called *spiritualitus cardia situs inversus*. Having the spiritual heart in the wrong place is always fatal.

The Bible uses the word "heart" hundreds of times and almost never uses it to refer to the muscle which pumps our blood. It uses the word to refer to our inner being, our souls and our emotions. Who has not heard of the greatest commandment, to love the Lord with all our heart? Our love is tied to our hearts. Jesus indicated this when He said, "*For where your treasure is, there your heart will be also*" (**Matt. 6:21**). The context in which He said this is preceded by two commands: (1) Do NOT lay up treasures for yourself on earth. (2) Do lay up treasures for yourself in heaven.

Notice how vividly the Lord described the two options where our treasures, and therefore, our hearts, will be focused. Far too many are so focused on physical matters that their hearts are not heaven centered. There is no middle ground, for the verses that follow show that it is impossible for one to serve God and riches (mammon). Now all of this is tied to the heart. Those in the world, and sadly many Christians, have their hearts located in the wrong place. There is no way anyone can live focused on the physical pleasures which money enables and stay focused on spiritual matters. Why? Because "...where your treasure is, there your heart will be also."
