THOUGHT FOR TODAY

The place to improve the world is first in one's own heart and head and hands.

SCRIPTURE FOR TODAY

*Above all else, guard your heart,
for everything you do flows from it ~Proverbs 4:23*

ENCOURAGING WORDS

Calling All Priests!

The worship and service of God's priests revealed at Mt. Sinai set the stage for a marvelous revelation of the place of priests who serve Him in the New Testament.

For one to be a priest in the Old Testament, he had to be of the tribe of Levi. Men (not women) who served at the temple had to be physically perfect (**Lev. 21:18**). They had to be of certain age, beginning at age thirty and ending at age fifty (**Num. 4:3**).

However, Christianity changed all of that! Every Christian is part of the priesthood. Peter described the church as being "a spiritual house, a holy priesthood, to offer up spiritual sacrifices acceptable to God through Jesus Christ" (**1 Pet. 2:5**). The church is described as "a kingdom of priests" (**Rev. 1:6**).

We can all be priests—male and female; young and old; from every tribe and even those crippled and infirmed. No longer is worship and service limited to a select few. It includes you and me!

What an honor to be a priest, yet what a responsibility. The primary thing in his life had to be the work he offered as a priest. When it was his appointed time to come before God, nothing else mattered! He prepared himself and then came before God. And yet, how often do we priests of today treat it as a secondary matter. Out of town company, Super Bowl Sundays, recreational activities, favorite TV shows and social events can so easily take us away from honoring Him who has honored us to be His priests. Being a priest is an honor, but it inherently makes us responsible to serve at **all times**.

So, my fellow priest, let's accept the honor and fulfill the responsibility every chance we have. Not just on Sunday mornings, but Sunday and Wednesday nights as well! Nothing can be more important than our priestly duties!
