SCRIPTURE FOR TODAY

Whoever is generous to the poor lends to the LORD, and He will repay him for his deed. ~ Proverbs 19:17

ENCOURAGING WORDS

One More Look At David (at least for now!)

David makes some truly amazing statements in Psalms which allows us to look closer into his heart and learn why he was so special to God. Both first and second Samuel tells us about the life of David and all the trials he faced. They began shortly after he killed Goliath when jealous King Saul sought to take his life. He gained the favor of the people around him, so the evil king sent his army to kill David. His friendship with Saul's son, Jonathan, often enabled him to escape. Years later, David again had to face adversity when his own son led a rebellion against him.

So, how did he view such trials? Read his words, and they may change how you look at life. David said, *"It is good for me that I was afflicted, that I might learn your decrees."*

(Psalm 119:71) David understood a lesson which each of us should learn and remember. It seems that when our life has little misery and adversity, we tend to ignore God because we have little need of Him. On the other hand, adversity provides us the opportunity to come closer to God. How we respond to such trials shows the kind of heart we have. It is so important to learn that adversity can either make us bitter or better!

How do we decide what things are good and what things are bad in our life? Let me suggest a rule of thumb based on the promises of God that may just change our entire view of life. Anything which draws me closer to God is good, and anything which keeps me from God is evil.

So, let me ask you, any good thing happening in your life right now?
