Thought for Today

Faith is taking the first step even when you don't see the whole staircase.

ENCOURAGING WORDS

Our "Compassionate" Savior

The very thought of having Jesus as our mediator is overwhelming. The amazing distance between Jehovah God and a human seems like a chasm which cannot be crossed. Yet, Jesus did this very thing! He emptied Himself and took on the form of feeble, helpless mortals. He lived among us and having returned to heaven, He received the glory He once had. The end of all of this is that we have one who understands our frailties and can sympathize with us in our troubles. One word that seems to sum up so much of the way He lived while among us is compassion.

Compassion is missing among many in our society. The heartless slaughter of the unborn, the ruthless killings in schools and workplaces and the beheading of "unbelievers" are all evidence of the absence of the godly nature of compassion. However, the problem is far greater than the extreme aspects of the heartless cruelties evidenced above. Study the life of Jesus and look at how often Jesus showed compassion to those ordinary people around Him. Then, take time to look at ourselves to find areas where we can be more compassionate like Him.

Jesus had compassion on the poor - In Matthew we read about the feeding of the 5,000. The very next day, Jesus rebuked them because they only followed Him because they loved the loaves and fishes He had given them, yet He fed 4,000 of them again saying "*I have compassion on them....because they have nothing to eat.*" (**Matt. 15:32**) Few of us would really understand that kind of compassion on those whose motive were so wrong!

Jesus had compassion on scattered sheep - Mark records the feeding of the 5,000 and then adds another thought to the compassion of Jesus. "*When Jesus landed, He saw a large crowd and had compassion on them, because they were like sheep without a shepherd. So He began teaching them.*" (**Mk. 6:34**) The Good Shepherds heart was moved toward those who had no spiritual direction in their lives. Think about the "shepherd-less" people around us!

So, we need to take time to look at ourselves. How compassionate are we toward others? what changes do we need to make to have the compassion of Jesus?!
