### **ENCOURAGING WORDS**

#### **Sometimes It Is Better Not To Talk!**

Solomon is often called the wisest man in the Bible. As a youth, he asked God to give him wisdom, and our amazing God answered his prayer abundantly. *"All the earth sought the presence of Solomon to hear his wisdom, which God had put in his heart"* (1 Kings 10:24). If we want to share in this wisdom from heaven, we must spend time meditating on the words of this wise king. Look at these two times Divine wisdom says we should not talk.

**Do not talk about helping someone tomorrow when you can help today.** Solomon said, *"Do not say to your neighbour, 'Go, and come back, and tomorrow I will give it,' when you have it with you"* (Prov. 3:28). There are times when you may have to wait about helping another, but Solomon says help a person today if you can. This command encompasses both physical and spiritual needs!

**Do not say that you will treat others the way they are treating you.** Listen to Solomon again. *"Do not say, 'I will do to him just as he has done to me, I will render to the man according to his work'"* (Prov. 24:29). These words are diametrically opposed to the "Golden Rule" given by Jesus. Treating others like they treat you is a message from Satan. We live by a much higher rule, putting ourselves in their place.

Do you want to be wise like Solomon? Then take time to read what he wrote. Make his words the words which rule your life. Sometimes we talk too much!
