ENCOURAGING WORDS

He Alone Is God

When our kids were in High School, we parents were called upon to "work" so many Bingo games per season to help offset the expense of the sport of uniforms, athletic equipment etc. for their particular sport. We were always amazed at the many superstitions on display that were believed to be "good luck charms" to the player.

The Jews thought they had the ultimate item to help them in the midst of trouble. When the Philistine army came against the Israelites, the Jews were losing the battle. What was their "rabbit's foot"? It was the Ark of the Covenant designed by God and which contained those tablets on which God had written the Ten Commandments. They brought it into the camp of Israel, believing it would help them win. It didn't work! "The ark of God was captured" (**1 Sam. 4:12**). That ark had its purpose, but God never wanted it to be thought of as a good luck charm!

What does this have to do with us? While we may not think of America as having idols, Paul showed that whatever we covet after becomes our idol (**Col. 3:5**). It is tragic to see our nation thinking that a man's life consists of how many material possessions he can get (**check Luke 12:15**). Houses, cars, luxurious clothing, electronics, traveling and vacations have become the gods of so many around us. These dominate our society so much we become like those who unknowingly are idolatrous.

Has not our God shown so many in the recent hurricane that these gods are unable to help us in the midst of the storm? By the way, just remember that the rabbit's foot did not help that crippled rabbit who still has three lucky charms!
