THOUGHT FOR TODAY

He is the rock that I cling to, My shelter in a storm.
He can make the birds sing, And shadows take bright form.

Whenever I am lonely, whenever I have fears,
I call His name out softly, And I know that He hears.

~Unknown

SCRIPTURE FOR TODAY

*On God rests my salvation and my glory;
my might rock, my refuge is God.*

Trust in Him at all times, O people;

pour out your heart before Him; God is a refuge for us.

~Psalm 62:7-8

ENCOURAGING WORDS

The Solution in Syria!

We are hearing a lot about Syria in the news these days, and non of it is good. What is happening there is very serious as the nation has been engaged in a horrific civil war for more than 5 years, which has claimed 250,000 people. Whatever the cause of this violence and however it might be reported, it ought to grab our attention to hear that many souls are being killed!

But... I do have a solution! You know that I am neither a Politian nor a military strategist, but here it is... If "Syria" today could have what "Syria" of 2,000 years ago had, things would be much different!

Syria needs the fame of Jesus! At the end of Matthew 4, Jesus was making His way through northern Palestine, "*teaching... preaching the gospel... and healing*" (4:23). "*News about Him spread all over Syria.*" (4:24) The only sure, proven long term solution for peace is the good news about Jesus and His kingdom! **Syria needs the good news of Jesus!**

Syria needs strong churches! As Paul began his second missionary journey, he and Silas "*went through Syria strengthening the churches*". (Acts 15:41) These congregations had already been established and were growing, but needed further encouragement. A strong church can influence a community for good. Syria needs active and faithful congregations!

Syria needs servant- hearted Christians! On the way to Jerusalem. At the end of his third missionary journey, Paul "*sailed to Syria... and finding disciples, we stayed there 7 days.*" (Acts 21:3-4) These brethren served Paul's every need.

Syria needs servants to Christ!

The situation in Syria could turn around instantly if the good news of Jesus could be spread by strong churches made up of servant-hearted Christians. Actually, come to think of it, the situation in America and in our homes could turn around instantly by this same process!
