ENCOURAGING WORDS

God's Lessons For Us In "Little Things"

The Bible is filled with emphasis on the little things we can so easily overlook. God does not need the grandeur of "big things" to show is glory. He can use little things!

Little ants and laziness. Many in America have largely become a people who have become dependent on others instead of knowing the blessing of working hard and reaping the fruit of our labor. Yet, the Bible plainly says. "If anyone will not work, neither shall he eat" (**2 Thess. 3:10**). The attitude of laziness was also part of the ancient world. Solomon said, "Go to the ant, you sluggard, consider its ways and be wise! It has no commander, no overseer or ruler, yet it stores its provisions in summer and gathers its food at harvest." (**Prov. 6:6-8**) Wisdom comes from little things.

Little children and humility. The disciples of Jesus often struggled as to who would be the greatest in the kingdom. In one simple act, our Lord showed them the true path to greatness. "He called a little child to him, and placed the child among them. And he said: "Truly I tell you, unless you change and become like little children, you will never enter the kingdom of heaven." (**Matt. 18:2-3**) Lazy people need to look at small ants and arrogant people need to look at small children.

Little sips of water and His eyes. When we are reminded that God sees everything, some immediately think of His remembrance of idle words, hidden sins and angry words spoken to family members in our homes and in our cars. However, we must never overlook that He sees every cup of cold water given to others (**Matt. 10:42**).

Remember the judgement scene in Matthew 25? He sees food prepared and taken to the least disciple: He sees visits we make to the sick, especially the least among us: and He sees our hospitality to the least among us. It is these little things we might overlook which can determine our eternal future!

May God help us to see His lessons in "little things."
