I Am Resolved to Make 2017 a Great Year!

A Faith That Overcomes
1 John 5:4-5

For everyone born of God overcomes the world.
And this is the victory that has overcome the
world— our faith. Who is it that overcomes the
world? Only the one who believes that Jesus is the
Son of God?

THOUGHT FOR TODAY

Never mistake knowledge for wisdom. One helps you make a living and the other helps you make a life.

SCRIPTURE FOR TODAY

Blessed is the one who finds wisdom, and the one who gets understanding, for the gain from her is better than from silver and her profit better than gold.

~Proverbs 3:13-14

ENCOURAGING WORDS

Sweet "Minutes" of Prayer

There are times when we might struggle with our prayer life because we somehow think that the length of the prayer is a measure of how powerful a prayer is. Not so...consider some of the powerful short prayers in the Bible.

"God, be merciful to me a sinner." Two men entered the temple to pray at the hour of prayer. One prayed "with himself" and the other prayed "unto heaven." the first told God what a good man he had been and how righteous he was. The other's humility would not even allow him to raise his eyes toward heaven. He pounded his chest as sign of his distress and simply prayed, "God, be merciful to me a sinner" (**Luke 18:13**). Think of the power of this short prayer.

"Lord increase our faith." Jesus had just described how his followers must forgive a penitent brother who sinned against them seven times in a single day. We may struggle to forgive a person who wrongs us once in a lifetime, or at best we may think, "Three strikes and you are out." However, the Lord looked at seven events in just one day. The apostles' response was "Lord, increase our faith" (**Luke 17:5**). His response to them was to describe how the smallest faith can cast a mulberry tree into the sea. Having trouble dealing with your life? Their prayer should be your prayer.

Want to enhance your relationship with the Lord? Think of these short prayers, or others that fit your particular situation, and pray them throughout your life. We sing about the "Sweet Hour of Prayer," but it might help us to all spend more time in those "sweet minutes" of prayer in which our short prayers have such power!
